The queues outside services gathered up to 3 hours before the doors opened, with people hungry for the Word and excited about having Kenneth and Gloria Copeland in the UK. There was a loud, spontaneous and unanimous cheer of welcome as they took the platform on Thursday evening. KCM Europe's Executive Director Martin Hawkins honoured Kenneth and Gloria with gifts of artwork portraying Bath, the home of our office base, and London. In his appreciation speech, he referred to the many visits that Kenneth and Gloria have made over the years and the impact of their teaching on individuals, churches and ministries.

The jubilant praise and worship gave a taste of heaven on earth as hands and hearts were raised to give thanks to Jesus, thousands of voices singing out His praises with joy. Kenneth Copeland sang the classic song "I was on His mind" much to

the delight of the delegates in the auditorium.

In both Kenneth's and Gloria's teaching sessions, wisdom and impartation of understanding flowed freely. The hunger and enthusiasm in the meetings combined with their passion to preach the Word drew rich teaching out of both speakers.

THE BLESSING

Brother Copeland delivered his messages with power and youthful energy. His four messages were based on Deuteronomy 30:19-20, on the theme 'Choose Life'. He charged us to give attention and incline our ears to God's Word (Proverbs 4:20), as it is the only source of true Life to us, spirit, soul and body. To choose this Life, we take every Word that has come from Him, receive it, believe it, and then continually speak it out over our lives to release THE BLESSING. We are responsible for the words that we speak, and our lives are the fruit of what we have spoken, either good or bad. Words are not only means of communication, but they form the blueprint for our lives. They are the patterns that the Spirit of God uses to bring things to pass in and through us.

On Friday afternoon, Gloria complemented this perfectly when she spoke on faith and patience. Faith takes the Word of God, believes it and acts on it. Patience keeps the faith active and strong, undergirding it while we are waiting for the full manifestation of the Word. At Healing School, Gloria also urged us to give attention to God's Words, as the source of health and healing to our bodies. Referring to the account in the Gospels of the woman with the issue of blood, she reminded us that she single-mindedly pressed in to touch Jesus' garment, and took the healing she believed she would receive. Gloria's teaching clearly led the way for people to grow in faith for full health and long life. Miracle healings occurred en route to the meetings, as well as during and afterwards, as the healing anointing destroyed infirmities and long term sickness.

Partnership

At the lively Partner Area delegates expressed their gratitude for the teaching supplied by KCM. They explained how their lives had been saved and changed through the broadcasts, magazines and other resources.

The Registration Team were kept on their toes as delegates filled the main hall and fed into the overflow area. The Marketplace was always bustling and KCM staff enjoyed meeting Partners and Friends during the meeting breaks. Overall this Victory Campaign was a victory for the kingdom, a blessing to host in London and we would like to thank all the volunteers who helped us and all KCM Partners for making the 2012 Europe Victory Campaign a resounding success. **VICTORY**
